MESSAGE FROM THE PRESIDENT

Aloha HISHE Members,

Over the past few months, we've had the pleasure of hosting a number of events. Since Mayor Rick Blangiardi signed Ordinance 22-17 - "The Better Buildings Benchmarking Program" into law, we hosted representatives from the City and County of Honolulu and Hawai'i Energy to explain the program in detail for our Q1 meeting. We also had the opportunity to introduce our first ever Bowling Tournament with PAMCA and we look forward to continuing the event next year. We had 8 members who represented us at the recent International Summit & Exhibition on Health Facility Planning, Design & Construction held in Phoenix, AZ.

Our 4th Annual Hawaii Healthcare Technology & Facilities Engineering Expo is upon us. We have great speakers lined up and 58 exhibitors. Don't forget to register and we look forward to seeing you there.

Following the conference, we'll be hosting our 5th Annual Golf Tournament. 188 golfers will converge at the Kapolei Golf Club for what is anticipated as our best tournament yet. Our presale bundles are available on our website for those participating.

Mahalo to all the event sponsors and planning committees that make our events so special. We look forward to seeing you all next week.
